

A Tribute to My Grandmother Poem Lyrics

A tribute to my grandmother,

I need only say just this,

The greatest that has ever lived,

Who we'll forever miss.

We will never fill the space you've left,

But then we'll never try,

For you are irreplaceable,

In our hearts we know just why.

You gave so much and worked so hard,

So others could achieve,

"There was goodness inside everyone",

that was something you did believe.

You helped anyone and everyone,

You never uttered no,

And we will miss you every day,

So sad that you had to go.

We'll think of you and we will smile,

We'll laugh and sometimes cry,

And we'll always miss you Nan,

Those who met you, will know forever why.
