

## Gone Away Poem Lyrics

Gone away,  
Lost to me,  
Here no more,  
The cost to me.

Short goodbyes,  
Long memories,  
Broken hearts,  
They'll never ease.

Fun times done,  
Dark times arrive,  
Just a struggle,  
To survive.

But the thoughts,  
Of all we did,  
Silly adults,  
Sillier kids.

How can I cry when  
you made me smile,  
If only for,  
A little while.

The story's over,  
All is done,  
But true happiness,  
Is what we won.
