

Remembering Grandpa Poem Lyrics

You'd say "please do not be sad",

"Just think of me and smile",

We'll remember Grandpa,

The man who went the extra mile.

You made laugh and dance and sing,

You filled our hearts with joy,

Kindness ran throughout your soul,

For every girl and boy.

So we'll try and think of you and smile,

We'll do the best we can,

In memory of our sweet grandpa,

That extra special man.
